eliminating the EDA Director position. Adm. Jaunich explained with some information regarding the position (including duties, cost analysis for same. It was noted that Consultant Smith-Strack had been approached to provide the City with a proposal (contract amendment) to assume the duties of the EDA Director position in addition to her current contracted duties. The proposal from Smith-Strack was reviewed. Adm. Jaunich pointed out that Smith-Strack is currently contracted for 20-35 hours a month and after talking with her feels she can manage the additional EDA duties within those same hours. Adm. Jaunich commented that the cost savings would range from \$2,000-\$12,000 a month depending on the work load and economy. Adm. Jaunich commented that if the position is eliminated, that the remaining City Staff would take on additional duties, such as attending meetings (SEDCO, Prairie Line Trails, Fiber to the Home, etc.), on-call, City Website maintenance, assisting with Administrative duties/research, etc. Adm. Jaunich questioned if the City wants to continue to participate in all of the various meetings that Dir. Schultz attended on the City's behalf. Vrklan and Pederson expressed their concerns about eliminating the position and the shifting duties, etc. that will occur.
